

### REMARKS

The amendments are made in view of the Examiner indicating that the claims are allowable; however, that there is a potential obviousness-type double patenting issue over US 7,666,868. The amendments render moot any such potential issues. The corresponding Q in US '868 cannot be Ar1.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

/Csaba Henter/
